@mykaminskaya

Moscow, Russia

Marina Kaminskaya

Skills

Python/SQL

Machine Learning

Time series

Algorithms and data structures

Mathematical analysis

Probability and statistics

Education

Bachelor Degree
Higher School of Economics, Moscow | 2018 - 2022

Computer Science Department
Applied mathematics and informatics
Mathematical and Computational Engineering in Science and Business
GPA 8.6

School
Gymnasium named by academican N. G. Basov, Voronezh | 2015 - 2018
Gold medal award for the excellent achievements in stuies, 2016, 2018

Experience

Math teacher
2018-2019
Summer School of HSE
Olympiad maths for secondary school students

Project together with 1C Company
2019-2020
Computer Science Department, HSE
Creating Augmented Reality Interfaces

Teaching assistant
2020-2021
Computer Science Department, HSE
Algebra

Coursework together with SAS Company
2020-2021
Computer Science Department, HSE
Credit scoring. Linear models vs modern data science models

Trainee analyst
2021
Yandex
6-month internship as analyst of the Computer Vision team in Yandex

Achievements

Russian National Maths, Physics, Computer Science Olympiads, regional stages
2016-2018
Gold/Silver/Bronze medals

Other All-Russian Math Competitions
2015-2018
"Lomonosov" - gold medal, "MIPT" - silver/bronse medals,
"Moscow Math Olimpiad" - bronze medal

"1C" Scolarship
2020
For the successful implementation of a software project
